

PAY FOR YOUR PROPANE ON OUR EASY BUDGET PLAN

Right now – while you’re thinking about it – let us convert your account to our BUDGET PAYMENT PLAN. Under this plan, we estimate your total fuel bill on the basis of past usage. The total is divided into twelve (12) equal monthly payments.

BUDGET PAYMENT PLAN – Terms and Conditions

1. You must have approved credit with StevensPropane, LLC.
2. Current account balance must be paid in full before budget begins.
3. Budget payments are due the 20th of each month, beginning on or before August 20th and ending on or before July 20th. If we do not receive your payment by the last day of each month, you will be removed from the Budget Plan. The balance owing when removed from the Budget Plan will be due in full within 15 days. No future deliveries will be made until the back balance is satisfied and you may lose your credit terms. Just because you may not have an actual balance at some period during the budget year DOES NOT mean that you may skip that payment. Doing so will result in removal from the budget program and you will not be eligible for re-instatement until the following August.
4. July is the settlement month for the Budget Payment Plan. Unpaid balance will be due and payable by July 20th. Overpayments at July 20th will be applied to your next heating season unless you notify your local office to request a refund. Customers in good standing will remain on the Budget Plan until the customer notifies StevensPropane, LLC. in writing they want to be removed from the Budget Payment Plan.
5. Monthly payments may be adjusted at the company’s discretion if the price of product or consumption warrants a change. Should usage vary significantly from the prior year due to changes in supplemental heat, remodeling, additions, etc., **the consumer should contact the local fuel office for budget review.**
6. Customers will be notified via letter in July the new monthly payment calculation, The July statement will be in the form of this notification letter and should be used as such.
7. If you wish to take advantage of this plan, please sign and return the bottom portion of this letter to your local StevensPropane, Inc.office. Budget customers are guaranteed a price cap as they are dual enrolled unless they specifically opt out of the Price Protection Agreement.
